RE: Marble Cliff Quarry Dump

Mr. Jeryl Kolb
Ecology and Environment, Inc.
111 West Jackson Blvd.
Chicago, Illinois 60604

Dear Mr. Kolb:

As discussed in our telephone conversation on April 17, 1989, enclosed is a copy of the December 12, 1973 letter that was sent with my March 30, 1989 letter to Mr. William Messenger, U.S. EPA.

In order to accurately complete the histories for both the Marble Cliff Quarry Dump and the Earthco Demolition Dump, you should contact Mr. Duane Synder of our solid waste section. Mr. Synder is familiar with the operations at both the Marble Cliff Quarry Dump and the Earthco Demolition Dump and can probably direct you to those people who were involved with these sites on a day-to-day basis. Mr. Synder can be reached at (614) 644-2055.

If you have any questions, please contact me at (614) 644-2055.

Sincerely,

Deborah J. Strayton

April 27, 1989

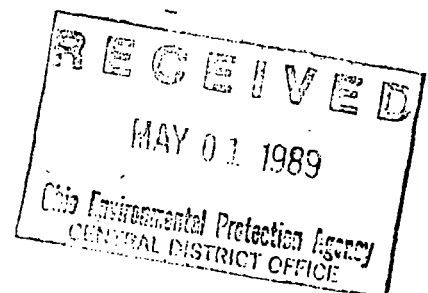

Dear Ms. Strayton:

Here is a copy of the PA prepared by FIT
on 8-11-80 as you requested. This PA was prepared
on the Marble Cliff Quarries / Earthco Inc. site.

Please call if I can be of further assistance.

Sincerely,

Gordon Ferguson

TELEPHONE MEMORANDUM

WITH: Gordon Ferguson

DATE: 4/17/89

REPRESENTING: Ecology and Environment

TIME: 3:45

PERMIT NO.:

PHONE: (312) 663-9415

OEPA STAFF: Deborah Strayton

SUBJECT: Marble Cliff Quarry Dump/Earthco Demolition Dump.

Screening Site Inspections (SSI)

NOTES & SUMMARY:

FOLLOW-UP DATE:

I returned Mr. Ferguson's call at 3:45.

Mr. Jeryl Kolb of Ecology and Environment was also in on the call.

After discussions with Jeanne Griffin (U.S. EPA), Ecology and Environment will do another Screening Site Inspection (SSI) for Marble Cliff Quarry Dump, north of Trabue Road.

According to Ecology and Environment, the ownership of these sites is somewhat confusing. They had two PA's to choose from. Kaufman owned the quarries (Marble Cliff Quarry Dump and Earthco Demo. Dump) on both sides of Trabue Road at one time.

Mr. Kolb felt that most of the site history for Earthco Demo. Dump was accurate. They had been directed toward Earthco Demo. Dump rather than Marble Cliff Quarry Dump by "Speciality Restaurant, Inc." (the owners of Earthco).

Ecology and Environment requested copies of the 12/12/73 letter I sent to U.S. EPA.

As for Earthco Demo. Dump, it will be added to the CERCLIS data base. It will be given a new U.S. EPA I.D. number.

Marble Cliff Quarry Dump will retain the old number. It will be retasked.

Ecology and Environment will send me a copy of the 1980, Thomas Lentzen PA.

TELEPHONE MEMORANDUM

WITH: Jeanné Griffin

DATE: 3/30/89

REPRESENTING: U.S. EPA

TIME:

PERMIT NO.:

PHONE: (312) 886-3007

OEPA STAFF: Deborah Strayton

SUBJECT: Marble Cliff Quarry Dump and B & E Landfill.

NOTES & SUMMARY:

FOLLOW-UP DATE: 4/17/89

Ms. Griffin returned my call to Bill Messenger.

I explained the situation at Marble Cliff Quarry Dump to her.

She asked if I would like a copy of the PA completed by T. Lentzen of Ecology and Environment in 1980. I said that I would.

I said that I did not want the site south of Trabue Rd. (at which the SSI was done) being referred to as Marble Cliff Quarry Dump. She said that they would change the name on the SSI Report to Earthco Demolition Dump.

I asked if a SSI would be done at the actual Marble Cliff Quarry Dump, which is north of Trabue Rd. She said she would talk to Gordon Ferguson of Ecology and Environment about scheduling a SSI at that site.

I then asked about B & E landfill. She said that a work plan for the proposed field activities has been completed. After the work plan is approved, field activities at the site will begin in a couple of months. Wells may be installed at the site in late summer or early fall. In any case, it is on their list.

TELEPHONE MEMORANDUM

WITH: Bill Messenger

DATE: 3/22/89

REPRESENTING: U.S. EPA

TIME: 2:40

PERMIT NO.:

PHONE: (312) 353-1057

OEPA STAFF: Deborah Strayton

SUBJECT: Screening Site Inspection (SSI) Report for Marble Cliff
Quarry Dump.

NOTES & SUMMARY:

FOLLOW-UP DATE:

I called Mr. Messenger at 2:40 to discuss the Draft SSI Report submitted by Ecology and Environment for Marble Cliff Quarry Dump and the correct location for this site.

The Draft SSI Report submitted by Ecology and Environment gives the location for Marble Cliff Quarry Dump as south of Trabue Road at what is now the Earthco Demolition Dump. This location is based on a PA completed by Thomas Lentzen of Ecology and Environment in 1980. I do not have a copy of this PA. Ecology and Environment conducted a SSI at the Earthco Demolition Dump in April, 1988. No one from Ohio EPA was informed of the date Ecology and Environment planned to conduct this SSI or was present at the site during the SSI.

Marble Cliff Quarry Dump, a licensed landfill, operated north of Trabue Road until 1974. This location is given in a PA completed by William Scheider of Ohio EPA in 1986. The Draft SSI Report states that this location is incorrect (page 1-1). However, based on our files for this site, I feel that the correct location for this site is north of Trabue Road.

Mr. Messenger said that he would check on it with Ecology and Environment.
